Join us for a Virtual Zoom Meeting on October 6

President's Corner

Welcome to the new Guild year and a new President. Kennalee made it look so easy I dared to try it. I'm assured that everyone will help, so not to worry.

Not sure when we can meet in person again but I do miss socializing with our members. I also miss the Ways and Means table for which my stack of giveaways is growing.

Hope you all enjoyed our last speaker, Carol Lyles Shaw. I couldn't help but notice a similarity of some of her quilts to our own, Allison Leong's scrappy or schnibble quilts. You can see them at our website show and tell (April 2021). Don't throw your scraps or orphan blocks away, we have talented members who love to use them.

Meanwhile, meet us on zoom for an easy meeting—no driving, no parking, no traffic. Come as you are, no need to wear a fancy outfit and jewelry. Come at 6:30 PM and chat with those online. But for the meeting part, please mute your family and household noise. If you haven't done a zoom meeting yet, let me know. I or a helper can show you how easy it is. We can have a practice zoom meeting.

The past year has been so unusual. Mystery Quilts through the Guild and UFO's kept me busy. It was revealing to learn I could make quilts without dashing to the store. Several baby quilts and other projects got done. I think quilters are strong minded and don't suffer while quarantining. It also helps that we all have a good stash.

Looking forward to our meeting. *President — Aileen Kuda-Cooke*

Program

Happy Fall! Thank you so much for the opportunity to serve as Programs Chair for the upcoming Guild year. I look forward to working with you all to continue to bring our Guild exciting and diverse speakers. Please reach out if you have thoughts on speakers or kinds of content you would like to see in upcoming programs. The Zoom meeting format has really opened up endless possibilities.

This month's speaker, Daisy Aschehoug, is coming to us from Nesodden, Norway. Yes! You read that correctly. To learn more about Daisy, visit her website . . . www.warmfolk.com.

In her own words, her talk is "Part trunk show, part slide show, and part story hour, this lecture contains my life history for the past decade in quilting. I share details on my design inspiration, a walk-through of my digital design process, and describe the how and why of the most important moments in my quilt career - good and bad. You'll also get sneak peeks at current projects that I'm not posting on social media. It's a fun hour full of stories and colorful quilts."

We have some great speakers lined up for the coming months. Please remember to tell your quilting friends that they can register as guest to hear our speakers through the calendar link on our website. santamonicaquiltguild.org.

Vice President

Allison Leong, your new vice president here. Hope to be able to see you in person this year.

Meanwhile, we have been working on our Lone Robins that started in the Spring. I hope there are some of us who have mostly finished and can send a photo to Pam Overton for Show and Tell at the October meeting. I am quilting mine right now. I have found it to be a good challenge to meet the required elements but make my own. Maybe we'll have enough to have a group entry at Road to California??

If anyone has suggestions for a group project or belongs to a group that needs help with their project please let me know. We could do another Zoom sew-in to work on a project all together. (I'll have to learn how to be a host.)

Please feel free to contact me with suggestions or questions at kasmaml@msn.com
